Request for Proposals (RFP)

For funding to create affordable housing units in Westport, MA

1 GENERAL INFORMATION & SUBMISSION INSTRUCTIONS

The Town of Westport, in order to more effectively undertake locally-initiated affordable housing projects, established the Westport Affordable Housing Trust Fund (The Trust), per Massachusetts General Laws Chapter 44 Section 55C (MGL c.44 s.55C), through a 2/3 vote at the May 2009 Town Meeting. The mission of the Housing Trust is to provide for the creation and preservation of affordable housing in the Town for the benefit of low and moderate income households.

The Westport Affordable Housing Trust Fund created the SEED Housing Funding Program in order to seek applications for GRANTS from qualified project proponents to create multiple new affordable housing units in Westport, Massachusetts. The Trust will select the most responsive and responsible proponent(s) submitting the most advantageous proposal as set forth in this RFP. The RFP is available online at https://www.westport-ma.com/affordable-housing-trust-fund or in person at the Board of Selectmen's Office, Westport Town Hall, Monday through Friday between 8:00 AM and 4:00 PM.

RFP Schedule

RFP Available Tuesday November 20, 2018

Briefing Session Wednesday December 12, 2018 at 10:00 AM

Location: 2nd Floor, Westport Town Hall, 816 Main Road, Westport MA, 02790

Proposal Due date
 Applications are accepted on a rolling basis, until funds are

exhausted, not later than Tuesday July 28, 2019 2:00 PM

Proposals should be addressed and delivered to:

Westport Affordable Housing Trust Fund c/o: Leonardi Aray, Housing Specialist Elizabeth Collins, Chair Westport Town Hall Housing Assistance Office, 2nd Floor 816 Main Road, Westport, MA 02790

Late proposals will not be accepted.

Proposals must contain six copies and be sealed in an enveloped marked "Request for Proposals: Seed Housing Funding Program". All inquiries concerning this RFP must be submitted in writing via email to Leonardi Aray, AIA, at leonardi@larayarchitects.com. Written responses will be emailed to all proposers on record as having picked up the RFP.

2 Program Description

The Westport Affordable Housing Trust Fund is seeking proposals from qualified project proponents of affordable housing to utilize available funds to develop or create new affordable housing units in Westport, MA.

Only projects or programs (projects) with dwelling units that are restricted Affordable in perpetuity and are eligible for inclusion in the Town's Subsidized Housing Inventory (SHI) will be considered.

Housing units eligible for funding will be affordable to low-income housing households earning up-to 80% of the Area Median Income (AMI) of the Providence-Fall River Metro Area, which includes the Town of Westport, as determined by the U.S. Department of Housing and Urban Development (HUD).

A total of \$300,000 is immediately available and the Trust wishes to start this program upon respondent selection. Prior to any release of funds, a *Grant Agreement* will be executed between the Trust and the selected applicant(s).

Eligible Uses

- A. Soft costs and development fees, including appraisals, legal, surveys, financing, permit fees, monitoring services, marketing and others. The program is NOT intended to provide funding for developer's fee, profit and overhead costs.
- B. Acquisition of real estate property for the creation of new affordable housing, including reimbursement for costs related to the acquisition of <u>unoccupied</u> real estate property through a foreclosure auction.
- C. Pre-engineering, architecture/engineering design services and feasibility studies for the development of affordable housing.
- D. Construction, site work, installation of wastewater systems and water wells.
- E. Housing Rehabilitation Programs.
- F. Affordable Homeownership Programs.

Funding will be provided in the form of a forgivable deferred payment loan. Loans shall be due in three years unless an affordable regulatory agreement or a deed rider has been recorded on the property, at which point the loan shall be forgiven. An extension to five years may be allowed if a construction permit for the project is issued less than three years after the execution of the *Grant Agreement*. The selected applicant(s) will work closely with the Trust, the Planning Board, DHCD and any other agencies having jurisdiction. The applicant(s) will work with the Trust to carry out community meetings and outreach efforts related to the project.

The maximum funding available, except as noted otherwise, is \$35,000 per new affordable housing unit and no more than \$200,000 per eligible project.

Request for funding for *Eligible Uses* should not exceed the following maximum funding criteria neither per affordable housing unit nor per project:

| | Eligible Uses | Max. funding per affordable housing unit | Max. funding per project |
|---|------------------------------|--|--|
| Α | Soft costs, development fees | \$10,000 | \$50,000 |
| | | \$80,000 per project for single-family homes, two-family of 3-unit developments. | |
| В | Property Acquisition | \$25,000 for each unit of a multifamily development with at least four units | \$200,000 for multifamily developments with more than four housing units |
| С | Design services | N/A per unit | \$50,000 |
| D | Construction | \$35,000 | \$200,000 |
| E | Housing Rehabilitation | \$35,000 | \$200,000 |
| F | Affordable Homeownership | \$80,000 | \$200,000 |

3 EVALUATION CRITERIA

The following criteria will be used to evaluate the merits of the qualifying proposals:

Team experience

Most Advantageous: Applicant demonstrates that they have completed five or more similar projects and have experience working with a comparable community. Advantageous: Applicant demonstrates that they have completed one to four similar projects.

Not Acceptable: Applicant does not demonstrate experience with a similar project.

Financial capacity

Most Advantageous: Applicant provides evidence of availability of funds, a commitment letter for funding from a private lending institution, non-profit organization or governmental agency, and evidence of the required equity capacity sufficient or other capacity to finance the program or development or a portion of.

Advantageous: Applicant provides some evidence of financial capacity to fund the program or development.

Not Acceptable: The applicant does not provide evidence of financial capacity to fund the project.

Funding request per affordable housing or per project

Most Advantageous: The funding request is substantiated by a development pro-forma, construction estimates, services fee proposals, appraisals, housing market study and other documentation that indicates project financial feasibility and <u>funding gap</u>. Advantageous: Some financial documentation and evidence of funding gap are included. Not Acceptable: Funding request exceeds the program guidelines or the proposal does not contain sufficient information to evaluate project financial feasibility or funding gap.

Level of affordability

Most Advantageous: 30% or more of the housing units included in the project are affordable to low-income households.

Advantageous: 10% to 25% of the housing units included in the project are affordable to low-income households.

Not Acceptable: Less than 10% of the housing units included in the project are affordable to low-income households.

Site and Building Design (Except for Uses E and F)

Most Advantageous: Proposals that include a site plan, exterior building elevations, floor plans and other graphic material to convey the design intent.

Advantageous: Proposals that include a diagrammatic site plan, a building floor plan(s) or other graphic material.

Not Acceptable: Proposals that do not include any graphic material to describe the intent of the project.

Employment Initiative during pre-development, construction and operation phases

Most Advantageous: Proposals with a plan to create new job opportunities and committed to hire businesses certified by the Massachusetts Supplier Diversity Office and local qualified business and contractors for construction work.

Advantageous: Proposals with a plan to create new job opportunities but not committed to hire businesses certified by the Massachusetts Supplier Diversity Office or local qualified businesses and contractors for construction work.

Acceptable: Proposals that do not provide an employment or hiring plan.

4 FUNDING AWARD

The Trust will review and evaluate proposals promptly after receiving a complete submission. The Trust may or may not contact proponents for further clarification or interviews and may also contact references. The Trust may choose to identify a "short list" of qualified proposals for follow-up interviews or to make recommendations based on the information contained in the proposals.

Funding will be awarded, as determined by a majority vote of the Trust, to the most responsive and responsible proponent(s) submitting the most advantageous proposal, taking into consideration the applicant's experience, including in-house team members and consultants,

references and plan for the use of the funds. The Trust may commit to the whole or part of each funding request.

The Trust reserves the right to waive portions of the Request for Proposals for all proponents, to excuse minor informalities or to reject all proposals, if deemed in the best interest of the Trust or the Town of Westport.

The selected proponent(s) will execute a *Grant Agreement* with the Trust prior to the release of any funds. Should the Trust be unable to execute a satisfactory agreement with a selected proponent, then the next most advantageous proposal will be selected.

5 SUBMISSION REQUIREMENTS

In order to be considered for funding, each proposal must contain a Letter of Interest that provides a summary of the project, proponent team or organization, lead project manager, project owner and consultants as it may apply. In addition to the Letter of Interest, the following forms, disclosure and certifications, enclosed with this RFP, must be completed and submitted with the response in this sequence.

Note: the enclosed Forms are provided in a fillable PDF format for your use.

Letter of Interest

- Form A. Applicant Information & Qualifications, with attachments
- Form B. Project Scope
- Form C. Project Narrative and Illustrations with attachments
- Form D. Project Costs and Funding Sources with attachments
- Form E. Project Elements
- Form F. Certificate of Non-Collusion
- Form G. Tax Compliance Certificate
- Form H. Certificate of Authority

Neither the Town of Westport nor the Trust shall be liable for any costs incurred by the proposers in preparing, submitting or presenting proposals or in satisfying and demonstrating requirements.

Form A. Applicant Information & Qualifications

| Applicant/ Organization | |
|----------------------------|--|
| Contact Person Name, Title | |
| Phone Number | |
| E-mail address | |
| Mailing address | |

Provide the following information (Use up to 3 pages):

- 1. Applicant Background. Provide a brief description of the applicant. List key staff members to be assigned to this project and attach resumes with their qualifications.
- 2. Project Owners and Investors. Provide a list of all persons and parties with an interest in the property or investing in the project.
- 3. Related Experience. Describe similar projects including budget, and year work was completed. Describe your experience in construction and/or property management of real estate for sale or rent. Describe your background in affordable housing development, funding and administration. Describe your experience with affordable housing marketing, lotteries and tenant/buyer selection.
- 4. Three (3) References. The name, title, address, telephone numbers and e-mail addresses of client contacts of projects outlined in Related Experience (Only three references will be contacted).

Enclose Financial Qualifications. Include financial statements and other documents to describe applicant's financial stability and qualifications to perform similar projects.

Form B. Project Scope

| Project Name: | Estimated completion date: | |
|---------------|----------------------------|---------------------|
| Address: | | Westport, MA |
| Fundir | g Request | |
| Use(s): | \$ | Project |
| | \$ | Per Affordable Unit |

| Housing Type | Number of Units | % of Total |
|---|-----------------|------------|
| Homeownership, over 80% AMI | | |
| Rental, over 80% AMI | | |
| Affordable Homeownership, up-to 80% AMI | | |
| Affordable Rental, up-to 80% AMI | | |
| TOTAL | | 100 % |

| Anticipated Affordability Mix and Bedroom Distribution | | | | | | |
|--|-----------|---------|---------------|-----------|-------|--|
| Number of Bedrooms | | Area | Median Income | (AMI) | | |
| (BR) | Up-to 60% | 61%-80% | 81%-100% | Over 100% | TOTAL | |

| 2-BR | | | | | | |
| 3-BR | | | | | | |
| 4-BR or more | | | | | | |
| TOTAL | | | | | | |

Form C. Project Narrative and Illustrations

The following information shall be provided in a concise manner (use up to 4 pages):

- 1. Project summary.
- 2. Describe development status, the current and proposed conditions of the project.
- 3. Describe how the respondent will successfully create and permit the new units, finance the project and ensure the units will be added to the Town's Subsidized Housing Inventory (SHI).
- 4. Indicate project timeline.
- 5. Describe community outreach efforts for the proposed development.
- 6. Describe how the project will create new job opportunities as it may apply. *
- 7. Describe the intended employment and hiring plan or policy, if any. *

Enclose project Illustrations. Include graphic illustrations to convey site dimensions, building(s) dimensions, unit layout, zoning, parking and other features relevant to the proposed funding request. Clearly identify the proposed affordable housing units. Preliminary Design Concepts, plans and other products are acceptable.

^{*} Projects containing less than 20 housing units total may not address items #6 and #7.

Form D. Project Costs and Funding Sources

| Dovolonment Items | Cost (\$) | SEED HOUSING Funding Request | |
|---------------------------------|-----------|------------------------------|-----------|
| Development Items | | Amount (\$) | % of Cost |
| Soft Cost, Development fees | | | |

| 5. | | | |
| TOTAL | | | |

^{*} Enclose letter(s) of interest, pre-approval or commitment letter(s).

Check "YES" or "NO" for each one of the following elements. Please indicate "NO" for elements that do not apply to the proposed project.

| | | YES | NO |
|---|--|-----|----|
| 1 | Housing Typology and Target Population | n | |
| | At least 30% of the total housing units in the project are affordable to low-income households (80% AMI) | | |
| | RENTAL housing units affordable to low-income households | | |
| | HOMEOWNERSHIP units affordable to low-income households | | |
| | Housing for individuals with disabilities beyond the minimum requirement by the Massachusetts Access Board and other applicable regulations | | |
| | Housing options for seniors (all income groups included) | | |
| | All the Affordable housing units will be included in the Town's Subsidized Housing Inventory (SHI). The proponent will be responsible for submitting any and all applications to DHCD and taking any and all measures to ensure all the Affordable Units are so counted in the SHI | | |
| | The Affordable units will be subject to an affordability restriction in perpetuity or for the longest period permitted by law | | |
| | Conversion/Rehabilitation of existing structures to create housing units affordable to low-income households | | |
| | Proposal responds to housing needs as discussed in the 2017 Town of Westport Housing Production Plan | | |
| | Other, please explain: | | |
| 2 | Environmental Considerations | 1 | |
| | Sensitive land will be protected | | |
| | Environmental remediation or clean-up will be required | | |
| | Recycled and non-low-toxic materials will be used | | |

| | | 2/3 |
|--|---|---|
| | YES | NO |
| A policy for waste reduction and conservation of resources will be adopted prior to building occupancy | | |
| Alternative technologies for wastewater treatment systems that result in land or water preservation will be used | | |
| Low Impact Development (LID) or other comparable approach for stormwater management will be implemented | | |
| Other, please explain: | | |
| Community Planning and Development | | |
| The project involves a concerted public participation effort (beyond the minimally required public hearing), including the involvement of community members and key stakeholders in the planning and design of the project | | |
| Public open space, passive recreational facilities or other amenities for public use are provided on site | | |
| Restoration or rehabilitation of existing structures will significantly enhance the character of a neighborhood, reduce or eliminate blight | | |
| Project is located in proximity (1 or 2 miles) to a transportation corridor, sources of employment, retail and commercial centers or civic destinations | | |
| Elements of the Town of Westport 2016 Master Plan are incorporated | | |
| The project expands the local tax base | | |
| Other, please explain: | | |
| Site and Building Design | | |
| Design is compact or clustered so as to preserve undeveloped land | | |
| Density is in general compatible to the surrounding neighborhood | | |
| | Alternative technologies for wastewater treatment systems that result in land or water preservation will be used Low Impact Development (LID) or other comparable approach for stormwater management will be implemented Other, please explain: Community Planning and Development The project involves a concerted public participation effort (beyond the minimally required public hearing), including the involvement of community members and key stakeholders in the planning and design of the project Public open space, passive recreational facilities or other amenities for public use are provided on site Restoration or rehabilitation of existing structures will significantly enhance the character of a neighborhood, reduce or eliminate blight Project is located in proximity (1 or 2 miles) to a transportation corridor, sources of employment, retail and commercial centers or civic destinations Elements of the Town of Westport 2016 Master Plan are incorporated The project expands the local tax base Other, please explain: Site and Building Design Design is compact or clustered so as to preserve undeveloped land | A policy for waste reduction and conservation of resources will be adopted prior to building occupancy Alternative technologies for wastewater treatment systems that result in land or water preservation will be used Low Impact Development (LID) or other comparable approach for stormwater management will be implemented Other, please explain: Community Planning and Development The project involves a concerted public participation effort (beyond the minimally required public hearing), including the involvement of community members and key stakeholders in the planning and design of the project Public open space, passive recreational facilities or other amenities for public use are provided on site Restoration or rehabilitation of existing structures will significantly enhance the character of a neighborhood, reduce or eliminate blight Project is located in proximity (1 or 2 miles) to a transportation corridor, sources of employment, retail and commercial centers or civic destinations Elements of the Town of Westport 2016 Master Plan are incorporated The project expands the local tax base Other, please explain: Site and Building Design Design is compact or clustered so as to preserve undeveloped land |

| | | | 3/3 |
|---|--|-----|-----|
| | | YES | NO |
| | Building design is in general compatible with the scale and proportions of rural New England housing, either contemporary or not | | |
| | "Visitability" and other level of accessibility above the minimum requirements by applicable laws and regulations is provided. | | |
| | Parking is located where it does not visually dominate the site and allows easy and safe pedestrian access to buildings | | |
| | A community center, central mail room, playground or other amenities for the residents are provided on site | | |
| | The project meets or exceeds EPA's Energy Star guidelines or other similar system that promotes sustainable design and energy-savings measures. | | |
| | The project includes at least one of the following initiatives: use of renewal energy source(s); energy efficiency provisions exceed the state building code requirements; site plan or buildings are configured to optimize solar access. | | |
| | Other, please explain: | | |
| 5 | Permitting | | |
