

APPLICATION FOR WESTPORT HISTORICAL COMMISSION HOUSE PLAQUE

 APPLICANT NAME

PHONE/EMAIL ADDRESS

 ADDRESS OF PROPERTY

PLAT/LOT#

The Westport Historical Commission (WHC) maintains a list of historic buildings and structures in the *Westport Inventory of Historic Buildings and Structures* available at the Head Librarian's office of the Westport Public Library. The WHC *Inventory* is an ongoing project and we appreciate any additional information or corrections for your property. If you have concerns that the data on your existing plaque or in the *Inventory* are incorrect, please contact us.

Replacing existing plaques

A request to replace an existing house plaque which bears the WHC insignia and which requires no changes will be automatically approved by the WHC. Please provide the exact information found on your existing sign below.

If you wish to change the information on the existing sign, please attach an explanation. The WHC must authorize the change.

New plaques

Please check the *Westport Inventory* cited above. If included in the *Inventory*, please fill out the information below. If not included, it may be necessary to carry out a deed search at the New Bedford Registry of Deeds. The WHC will give you guidance on this research and must verify your results in order that a house plaque may be authorized.

The WHC will arrange for the production of the sign and the applicant will be informed when it is ready.
